### **Unlock Your Growth Potential with Alger**

Founded in 1964, Alger is recognized as a pioneer of growth-style investment management. Privately-owned and headquartered in New York City, Alger can help “Unlock Your Growth Potential” through a suite of growth equity separate accounts, mutual funds, ETFs, and privately offered investment vehicles. Alger’s investment philosophy, discovering companies undergoing Positive Dynamic Change, has been in place for more than 60 years. For more information, please visit [www.alger.com](http://www.alger.com).

**Risk Disclosures:** Investing in the stock market involves risks, including the potential loss of principal. Growth stocks may be more volatile than other stocks as their prices tend to be higher in relation to their companies’ earnings and may be more sensitive to market, political, and economic developments. Local, regional or global events such as environmental or natural disasters, war, terrorism, pandemics, outbreaks of infectious diseases and similar public health threats, recessions, or other events could have a significant impact on investments.

This material is not meant to provide investment advice and should not be considered a recommendation to purchase or sell securities.

Alger pays compensation to third party marketers to sell various strategies to prospective investors.
